

Media on tour

„Natural borders and limits “

19. – 25. July 2020

Within the Greater Region, the participants get known about the entire German-Luxembourg border along the rivers Our, Sauer and Mosel in short daily stages by walking, canoeing and on bicycles. With the help of mobile media technology, they will develop their own media project ideas in small groups in order to capture the experience of the open-minded Europe and the respectful coexistence. In doing so, they will be given media-educational advice and at the same time learn to know and use modern techniques and tools.

Participants:

45 young people from Germany, Luxembourg, Romania, France, Finland and Spain.

Age:

13 – 17 Years

Arrival and departure:

The tour starts and ends at the Youth Hostel in Echternach (Luxembourg).

Accommodation:

We will spend the nights in Youth hostel Echternach.

Registration under: www.evea.de

Included in the price are accommodation and meals, participation in the media workshops and the sports and games program as well as the leisure and social program including all excursions and sightseeing. Registrations will be considered in the order of receipt.

Media work in Workshop-groups

In numerous media workshops participants can realize different project ideas in small groups and dedicate themselves to current issues with the help of mobile media (video and photography), among others:

"Where is Europe going? More of the less Europe - advantages and disadvantages? How do we experience the Schengen area in the Greater Region? "

Under educational guidance techniques can be used to create Photo and video documentations, for creating story maps, for Management of digital media and deliberate use in the Internet are learned.
